

# JENNIFER-RUTH GREEN

FOR CONGRESS

Jennifer-Ruth Green is the baby of 6, and she loves and admires her parents, Paul & Vivian, and her 5 siblings and their families. She is a Christian, and her faith is an integral part of her life and decision-making process. She is a 2005 graduate of the United States Air Force Academy with a BS in Asian Area Studies, and is a 3rd-generation combat veteran; following in the footsteps of her father and grandfather as she served in combat in Iraq during Operation IRAQI FREEDOM. She currently serves as a Lt Col in the Indiana Air National Guard, and just completed a tour as the Cyber Commander of the 122nd Fighter Wing in Fort Wayne, IN. That honor made her the first African-American or Asian-American woman to serve in that role in the history of the base. Jennifer-Ruth is a certified flight instructor and commercially rated pilot, and she recently earned her 2nd BS, an Aeronautics degree, from Liberty University. She is the founder of a non-profit, MissionAero Pipeline, which provides faith-based STEM instruction for young people from underrepresented communities. Jennifer-Ruth is currently the Republican nominee for Congress in IN-01, and she is committed to fighting for strong American families, a strong American economy, and strong national security. Jennifer-Ruth is more than happy to stand around for hours with you and talk about foreign policy, leadership development, and the best taco spot in your community. She is a firm believer that every day is a good day for tacos...not just Tuesdays.

Paid for by the Committee to Elect Jennifer-Ruth Green.
